## PARTY PHOTO BOOTHS

Pictures in seconds, memories for a lifetime

Pergola's Photo Booths are the magic ingredient in weddings, birthdays, prom nights, corporate events, conferences and much, much more. With our wealth of experience, you can just sit back, relax and let our friendly photo concierges take care of everything. Guests of all ages just can't resist stepping behind the curtain and taking the spotlight.

We'll transform the booth to match your theme beautifully. The booth can become a Beach Hut with bamboo and reeds, or a Greek Temple with grape vines, or a lavish Opera Box!

For smaller gatherings, how about trying out our Mini Booth for size?
