Bespoke Mystery Booths For Murder Weekends and Halloween

A novel and lasting entertainment with impact

Pergola is a totally new and innovative Photo Booth provider in the United Kingdom. Gone is the old "tin can" Booth. Our light and portable "Fun Booth" can fit into any venue. If you want to know how many people it can hold, we'll ask "How many friends do you have"?

Pergola can offer a darker version of our "Fun Booth" for a truly killer Murder Weekend Event.

The "booth basics" are the same: unlimited high quality digital photos in colour, B&W or sepia accompanied by a poised and friendly Photoconcierge to guide and assist the guests through the experience.

For a Murder weekend, most guests have at least one sitting with each other guest.

The gun goes off, and there is ketchup on the floor. The collection of pictures become evidence – many of the guests have photos with the victim!

During the day, the booth can be a source of other clues. It can be used to interrogate suspects and the answers can be reviewed by all the guests.

Pergola Bespoke décor can be used to great effect to help create a powerful theatre set.

For Halloween parties we can offer other bloody good ideas!

Fancy Dress Props can help move the story along or add another dimension to the scenario.

Pergola offers unfettered creativity and lavish service. Bespoke décor, costume and insignia combined with the best of today's digital technology help create memories with impact.
